

Install & Repair Technician

Pineland is seeking a highly qualified Individual to serve as a member of the Outside Plant Team. The Individual selected to join this team will have a primary role of installing, maintaining, and repairing customer premise voice, internet, and television equipment. The individual will utilize testing equipment to determine trouble created for necessary repairs. S/he will complete all installation and repair related forms and reports; fiber splicing, electrical switch/router, and PBX skills preferred. The individual will be in direct contact with customers via phone and on-site services.

Qualifications

Minimum of high school diploma or equivalent. Two years of telecommunications schooling or equivalent work experience desired. Demonstrated ability to learn new technology with accuracy and at a fast pace. Knowledge of voice and internet technologies preferred. Must have proven ability to complete projects/assignments in a timely manner without constant supervision.

Locations

This position will be based out of Metter, Georgia.

How to apply

An application can be found on the Pineland website - www.pineland.net. The completed application, resume, cover letter, and three work related references should be sent via mail, email, or dropped off in a sealed envelope to the following:

Hiring Manager
Pineland Telephone Cooperative, Inc.
PO Box 678 | Metter, GA 30439
dlee@pinelandtelco.com

Applications can be dropped off at the Metter office only. Please use a sealed envelope.
30 S Rountree Street | Metter, GA 30439
No faxed applications will be accepted.

Deadline to apply – November 30, 2022 at 5PM

Pineland's mission is to offer an outstanding customer experience through the efficient delivery of progressive technology solutions in the markets served. We will achieve this mission by applying the Core Values of Excellence, Integrity, Innovation, and a Servant's Heart in everything we do.
