Additional Accessibility Support

Large-Button Remotes – Remote Controls with larger buttons are available for purchase by order at \$25.00 each and can be swapped for your current remote.

Bill Reading – If Customer will pay the bill by phone, Customer Service Representatives will read the Customer's bill over the phone, upon request.

Video Description – Audio-narrated descriptions of the key visual elements of a TV program or movie are available upon request.

Directory Assistance - We can help you find and dial phone numbers. In addition, you may be eligible for discounted or free directory assistance service.

Closed Captioning - Navigation devices provided by **Pineland Telephone Cooperative, Inc.** include a mechanism reasonably comparable to a button, key, or icon for easy activation of the embedded closed captioning function. An automatic closed captioning lock is also available, so captions will always be turned on when you want to watch TV.

TTY Dialing - Phone service is compatible with TTY equipment.
